Joe Perell scored with 1 minute 25 seconds remaining Tuesday as the West rallied past the East to win the High School Hockey League all-star game, 7-6, at the ice arena.

Despite a 6-4 deficit midway through the third period, West Coach Scott Krueger of Valley-Dowling said he was confident his team would come back.

"These games always have a lot of offense, so we figured that there would be more goals scored," Krueger said. "We knew we'd score a couple, it was just a matter of if (our defense) could keep them out. I thought there would be more goals; usually that's the way these all-star games are."

Omaha's Perell said there wasn't anything fancy about his winning goal before a crowd of about 100.

"It was a rebound, and I just knocked it in," Perell said. "We never thought that we weren't going to win."

After Ames' Dustin Morrison scored his second goal at 8:53 of the third period to give the East a 6-4 lead, the West began its comeback.
