

IOWA HIGH SCHOOL HOCKEY LEAGUE

JUNIOR VARSITY PROGRAM - POLICIES AND PROCEDURES

Adopted August 3, 1989 Revised as of September 8, 2001

PURPOSE

The purpose of the Junior Varsity, hereinafter JV, program is to prepare players for Varsity competition. To this end, the IHSHL recognizes that most JV players have played competitive hockey at earlier amateur levels of competition and that it is beneficial to maintain this level of competitiveness. However, the IHSHL further recognizes that the JV program must, at its core, emphasize individual development with regard to hockey skills, team play, and good sportsmanship.

ENFORCEMENT

It will be the responsibility of the team representative to make sure that these policies are enforced. Failure to enforce them will result in further disciplinary action on both the player and the team representative by the disciplinary authority. (11/6/93) (SEE GAME PENALTIES AND DISCIPLINE)

REGISTRATION

Each team must be registered with USA Hockey in accordance with rules established by USA Hockey and the Registrar of the Tri-State Affiliate. (8/18/91) All League teams must be registered with USA Hockey before tryouts or any on ice activities. Any team not registered by November 1, will be assessed a \$50 League fine. (7/17/93) In addition to USA Hockey Rules governing game play, complete team rosters must be provided to the League Commissioner prior to the start of regular season play. This will not prevent teams from adding individual players to their roster during the regular season, who are otherwise eligible to play in the IHSHL. The JV roster maximum shall be limited to no more than twenty-five (25) players. (7/15/95)

REGULAR LEAGUE GAME FORMAT

On ice – One (1) hour and 30 minutes (5-01)

Warm-up – 5:00 minutes

1st Period - 14:00 minute stop time - 2:00 minute break

2nd Period - 14:00 minute stop time -- 2:00 minute break

3rd Period - 14:00 minute stop time

(1) Due to limited time available, the home arena may limit the third period to a "time remaining" running clock, which must be communicated to the opposing team prior to the first period.

(2) In case of injuries or other unavoidable delays during the third period, the home arena may switch to a running clock during the third period in order to conclude the game within the "on ice" time allowed, which must be communicated to the opposing team prior to resuming play.

(3) JV teams with fewer than nine players who are not also included on the team's varsity roster, not including goaltenders, may request that Junior Varsity games be played following Varsity games where the schedule does not allow at least one hour rest between the two games. Teams requiring such dispensation must notify affected opposing teams at least two weeks prior to the first regular

season game. If no agreement can be reached the home team may select the order in which JV and Varsity games will be played.

Overtime - No overtime periods will be played in regular season league games.

Ice Scrapes - one scrap per game if time allows to be decided before game starts. (8-26)

GAME OFFICIALS

A. On-ice officials will include:

There will be a three man referee system for all JV games. At least one official being a level 3 and the others being at least a level 2. Paid at \$40.00 for ref, \$20.00 each linesman (5-01)

B. Office officials will include:

One timekeeper provided by the home team. Two goal judges provided by the home team. Two penalty box officials, one provided by each team.

C. The host team is to provide a medical person at each JV, Varsity or other League games. Medical personnel should be EMT "B" or above. (11/3/95)

D. The event of blood loss creates a "Blood Borne Infection" situation. These situations and their treatment are covered in Exhibit "A" and must be followed. (Reduction in the Risk of Contracting Blood Borne Infections). (11/3/95)

PLAYER ELIGIBILITY AND PLAY

A. No team may roster more than twenty players on an individual JV game scoresheet. No team may cut or exclude otherwise eligible players from competing in JV competition within the League unless by the inclusion of each, the team's roster would include more than 20 separate Varsity players and 20 separate JV players. In sum, no player who is otherwise eligible to play in the League shall be cut or excluded from playing unless the Club's Varsity and JV roster would exceed 35 (5-01) players.

B. Eligibility for team membership shall be determined by each member team in the League in accordance with League standards.

C. No player who in the same or any prior season has been named to a Varsity IHSHL All-Star team or has received Varsity All-State recognition shall be eligible to play in AJV competition. *01 odd

D. Each member team will designate 10 (5-01) players prior to the first regular season game. Such players should be designated on the first Varsity scoresheet for the season and will not be eligible to play in any JV competition. The protected list will be reviewed half way through the season. Changes can be made to the ten players on the list. (8-26-00) The intent of this rule is to exclude the ten best Varsity players from competing at the JV level of competition. Should a team have 15 (5-01) or fewer JV players for a game, excluding goalies, they then may draw from the protected list to attain 15 skaters for that game. Starting with the number 10 player and working up. (9/28/96)

E. Requests for exceptions to eligibility rules must be submitted to the Executive Committee for a determination, which shall be final and binding.

F. Although the League does not require equalization of ice time among players, it encourages teams to require the play of each player rostered for a game in a regular rotation, excluding only

shorthanded plays. The League similarly encourages teams to assure that each rostered goaltender receives adequate ice time in either game or period rotation.

GAME PENALTIES AND DISCIPLINE

A. Games will be played in accordance with the rules established for Varsity play, including penalty minutes (e. g. 2, 5, 10).

B. All game misconduct penalties assessed by a referee will be served in the division where the suspension was incurred. See Varsity Procedures Pg 4. Game Penalties & Discipline "B."

C. Protests may be filed with regard to any matter that is ruled on by a game official according to the procedure set forth in the BY-LAWS OF THE IOWA HIGH SCHOOL HOCKEY LEAGUE.

D. IHSHL STANDARD ON TOBACCO USAGE

Any player who uses tobacco products, or is in the possession of tobacco products, will for the first offense be suspended for the next two (2) scheduled games. For the second offense, a player shall be suspended for four (4) scheduled games and is on one year probation from the first offense. This means that if another offense occurs within the year of probation, the player is suspended for one calendar year from the date of the second offense. If the player has no violation within the year after the first offense, full eligibility is restored. This policy begins September 1 (9-01) and is effective through the Chicago Showcase. Suspensions herein are minimum suspensions and if local policies are harsher they shall prevail. (11/6/93)

This means that if a second offense occurs within the year of probation, the player is suspended for one calendar year from the date of the second offense. If the player has no violation within the year after the first offense, full eligibility is restored. This policy begins September 1 (9-01) and is effective through the Chicago Showcase.
