# QC edges Warriors in semis

**AMES** — Xavier Pendleton scored 4 minutes, 49 seconds into the third period to break a 2-2 tie, and Quad Cities protected its lead the rest of the way to defeat Waterloo, 3-2, in a Midwest High School Hockey League tournament semifinal Saturday.

After a scoreless first period, the Blues broke on top early in the second period with a power-play goal, only to see the Warriors answer almost immediately with goals by Jacob Sessler and Tim Brown just 1:20 apart.

Quad Cities got the game tied up midway through the second period, and Blues goaltender Mike Brown shut Waterloo out for the final 24 1/2 minutes of the game. Brown turned away 27 of Waterloo's 29 shots, while Quad Cities converted three of just 15 shots on goal.

The Warriors (25-7-2) face Des Moines Oak Leafs for third place at 10 a.m. today.
